About the unit

The Budget and Finance Unit is responsible for the Agency's financial and budgetary management, ensuring that financial resources are planned, allocated, implemented and monitored in accordance with the applicable regulatory framework and the principles of sound financial management. Through effective financial governance and integrated planning, the Unit supports the achievement of the Agency's strategic objectives while ensuring accountability, regulatory compliance, financial sustainability and the efficient use of resources.

The Unit coordinates the Agency's budgetary and financial management processes across the entire planning and implementation cycle. The Unit comprises two sectors with complementary responsibilities. - Ensure the preparation of statutory budgetary and financial reports for the Management Board, EU institutions and other stakeholders, including reporting on budget implementation and financial management.
- Oversee the Agency's asset management framework, ensuring appropriate registration, inventory control, decommissioning procedures and compliance with accounting and financial rules.

Selection procedure

The selection procedure includes the following steps:

- A Selection Committee, designated by the Appointing Authority, is established for the selection procedure.
- Each application is checked to verify whether the candidate meets the eligibility criteria.
- All eligible applications are evaluated by the Selection Committee based on a combination of certain selection criteria defined in the Vacancy Notice. Certain selection criteria may be assessed jointly and some criteria may be assessed in two or more stages of the selection procedure. Candidates must receive at least 70% of the maximum scores in the CV screening phase.
- The quality of the information provided by the candidate in their application is of utmost importance. Candidates are requested to support their application with adequate, concise examples of their work experience, and qualification, especially if not directly addressed in the duties listed in the application under professional experience.
- Once the list of the most qualified candidates is determined, a preliminary assessment may take place (e.g., a remote written test)⁷ prior to the shortlist phase.
- The most qualified candidates will be invited to the shortlist phase⁸ in which the Selection Committee scores the candidates in accordance with the selection criteria. Certain selection criteria may be assessed jointly and some criteria may be assessed in two or more stages of the selection procedure.
- The shortlist phase consists of a shortlist interview, which may be complemented by a written test. Candidates may also be required to prepare a presentation on a topic to be presented during the shortlist phase, which would be evaluated as part of the shortlist interview.
- Following the shortlist interviews and written tests (including a possible presentation), the Selection Committee draws up a non-ranked list of the most qualified candidates to be included in a reserve list for the post and proposes it to the Appointing Authority.
- In order to be included in the reserve list, candidates must receive at least 70% of the maximum scores in the shortlist phase.
- All candidates included in the reserve list will be invited to undergo the Assessment Centre activities⁹. A report is produced by the Assessment Centre provider for each candidate and shared with the Appointing Authority. The Appointing Authority takes into utmost account the opinion of the Assessment Centre during the interview and the final selection decision.
- The Appointing Authority and two (2) members of the management will conduct a final round of interviews with the reserve list candidates.

⁷ The Selection Committee has the discretion to choose between remote and on-site interviews/tests as deemed appropriate.

⁸ Same applies as per previous footnote.

⁹ These candidates shall take part in an Assessment Centre, unless they have already taken part in such an Assessment Centre in the course of the two years preceding the closing date for the receipt of applications. If a candidate has taken part in an Assessment Centre within this two-year period, but not within the 18 months preceding the closing date for the receipt of applications, s/he may at his request be admitted to the Assessment Centre.

- The interviews (including possible presentation), the written test as well as the Assessment Centre are predominantly conducted in English¹⁰. The Appointing Authority may choose from the reserve list a candidate whom to engage for a job.
- Candidates included in the reserve list may be engaged for the same or similar post depending on eu-LISA's needs and budgetary situation.
- All shortlisted candidates will be informed whether or not they have been included in the reserve list. Candidates should note that inclusion in a reserve list does not guarantee engagement.

Please note that the Selection Committee's work and deliberations are strictly confidential. Any contact with its members linked to this selection procedure is strictly prohibited.

English is eu-LISA's working language. Any communication related to the selection procedure will be fully conducted in English.

¹⁰ As English is eu-LISA's working language, the selection procedure will be predominantly conducted in English, except when English is the mother tongue of a candidate or when the mother tongue of the candidate is not an official language of the European Union. In these cases, some of the interview and/or written test questions may be asked in the language indicated as their 2nd EU language.

Engagement and conditions of employment

The selected candidate will be engaged by the Authority Authorised to Conclude Contracts of employment from the established reserve list. Once the candidate receives an engagement offer, they may be required to accept the offer within a short timeframe and be available to start the contract at short notice.

The successful candidate will be engaged as Temporary Staff, pursuant to Article 2(f) of the Conditions of Employment of Other Servants of the European Communities (CEOS). The Temporary Staff post will be placed in Function Group AD, Grade 10, in the first or second step, depending on the length of professional experience.

The remuneration of a staff member consists of a basic salary (currently EUR 11 408.03 for step 1, and EUR 11 887.38 for step 2¹¹) weighed by the correction coefficient¹² (95% for Tallinn, Estonia) and paid in EUR¹³.

The initial duration of the contract is five (5) years, including a probationary period / managerial trial period of nine (9) months, with the possibility of contract renewal for another period not exceeding five (5) years. Following a successful renewal, the second renewal will be indefinite.

The reserve list shall be used for the recruitment and selection for the post in question and/or similar posts depending on the needs of the Agency. The candidates included in this reserve list may be offered an employment contract of a shorter duration and/or in a different location (Strasbourg, Tallinn or Brussels) than the one stated in the vacancy notice in accordance with the business needs and subject to agreement with the candidate. In this case, the Agency will contact the candidate in the reserve list and ask for their interest.

All selected candidates may be required to have, or be in a position to obtain, a valid Personnel Security Clearance Certificate, SECRET UE/EU SECRET, depending on the specific job profile and the need-to-know requirements.

A Personnel Security Clearance Certificate (PSCC) is defined as a certificate issued by a competent authority establishing that an individual is security cleared and holds a valid national or EU PSCC, which shows the level of EU Classified Information (EUCI) to which that individual may be granted access, the date of validity of the relevant PSC and the date of expiry of the certificate itself.

Candidates who hold a valid security clearance and for whom it is required must provide a copy of their security clearance and specify the issuing authority, level and date of expiry. In case the validity of their security clearance expires within six months, the renewal procedure will be initiated expeditiously.

Kindly note that the necessary procedure for obtaining a PSCC can be initiated by request of the employer only, and not by the individual candidate.

¹¹ Working conditions of temporary staff in [CEOS](#)

¹² The correction coefficient is subject to a regular update.

¹³ For the purposes of determining professional experience, the Appointing Authority shall allow 24 months' additional seniority of step in grade for professional experience equal to or more than the 3 years of professional experience after the degree giving access to the grade.

Failure to obtain the required security clearance certificate from the candidate's National Security Authority, either during or after the expiration of the probationary period, will give eu-LISA the right to terminate any applicable employment contract where the security clearance is a requirement.

Independence and declaration of interest

The selected candidate for the post will be required to sign a declaration of commitment to act in eu-LISA's best interest and in relation to interests that might be considered prejudicial to their independence.

Protection of personal data

eu-LISA ensures that candidates' personal data is processed in accordance with Regulation (EU) No 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data¹⁴.

- eu-LISA offers a competitive salary package. To begin with, the salary is determined by the grade for which you have applied. In addition, your future salary is based on the total number of years of professional experience and adjusted to the cost of living in your place of employment.
- Depending on your individual and family situation, you may be eligible for various allowances such as expatriation, installation and household allowance, dependent child, or education allowance, ensuring your financial comfort. It is important to note that salaries are exempt from national taxation, as they are subject to a tax raised by the EU.

Additional benefits: Your health and safety are our priority. We offer a wide range of additional benefits such as health insurance, including sickness and accident insurance, hospitalisation, dental care, and preventive medicine coverage. If you desire, your family members can be covered as well. In addition, we provide a generous EU pension scheme (defined benefit plan) that becomes available after completing 10 years of service within EU Institutions/Agencies or upon reaching the pensionable age from the EU pension scheme, to which both the Agency and you make monthly contributions.

Mental Health and Well-being Programme: Our comprehensive programme prioritises a healthy work-life balance, including amongst other reimbursements for health and fitness activities. Staff can also benefit from on-site gym facilities in both Strasbourg and Tallinn, as well as sauna facilities available in the Tallinn office.

Training and Development Opportunities: We invest in your professional development and personal growth. You will have access to a wide range of training programmes and learning resources.

Additionally, you can telework from outside of your place of employment for up to 10 days per year.

Generous Holiday Package: You will receive at least 24 days of annual leave per calendar year, additional leave days may be granted for age and grade, and home leave to travel to your home country, if applicable. Selection procedure

The selection procedure includes the following steps:

- A Selection Committee, designated by the Appointing Authority, is established for the selection procedure.
- Each application is checked to verify whether the candidate meets the eligibility criteria.
- All eligible applications are evaluated by the Selection Committee based on a combination of certain selection criteria defined in the Vacancy Notice. Certain selection criteria may be assessed jointly and some criteria may be assessed in two or more stages of the selection procedure. Candidates must receive at least 70% of the maximum scores in the CV screening phase.
- The quality of the information provided by the candidate in their application is of utmost importance. Candidates are requested to support their application with adequate, concise examples of their work experience, and qualification, especially if not directly addressed in the duties listed in the application under professional experience.
- Once the list of the most qualified candidates is determined, a preliminary assessment may take place (e.g., a remote written test)⁷ prior to the shortlist phase.
- The most qualified candidates will be invited to the shortlist phase⁸ in which the Selection Committee scores the candidates in accordance with the selection criteria. Certain selection criteria may be assessed jointly and some criteria may be assessed in two or more stages of the selection procedure.
- The shortlist phase consists of a shortlist interview, which may be complemented by a written test. Candidates may also be required to prepare a presentation on a topic to be presented during the shortlist phase, which would be evaluated as part of the shortlist interview.
- Following the shortlist interviews and written tests (including a possible presentation), the Selection Committee draws up a non-ranked list of the most qualified candidates to be included in a reserve list for the post and proposes it to the Appointing Authority.
- In order to be included in the reserve list, candidates must receive at least 70% of the maximum scores in the shortlist phase.
- All candidates included in the reserve list will be invited to undergo the Assessment Centre activities⁹. A report is produced by the Assessment Centre provider for each candidate and shared with the Appointing Authority. The Appointing Authority takes into utmost account the opinion of the Assessment Centre during the interview and the final selection decision.
- The Appointing Authority and two (2) members of the management will conduct a final round of interviews with the reserve list candidates.

⁷ The Selection Committee has the discretion to choose between remote and on-site interviews/tests as deemed appropriate.

⁸ Same applies as per previous footnote.

⁹ These candidates shall take part in an Assessment Centre, unless they have already taken part in such an Assessment Centre in the course of the two years preceding the closing date for the receipt of applications. If a candidate has taken part in an Assessment Centre within this two-year period, but not within the 18 months preceding the closing date for the receipt of applications, s/he may at his request be admitted to the Assessment Centre.

- The interviews (including possible presentation), the written test as well as the Assessment Centre are predominantly conducted in English¹⁰. The Appointing Authority may choose from the reserve list a candidate whom to engage for a job.
- Candidates included in the reserve list may be engaged for the same or similar post depending on eu-LISA's needs and budgetary situation.
- All shortlisted candidates will be informed whether or not they have been included in the reserve list. Candidates should note that inclusion in a reserve list does not guarantee engagement.

Please note that the Selection Committee's work and deliberations are strictly confidential. Any contact with its members linked to this selection procedure is strictly prohibited.

English is eu-LISA's working language. Any communication related to the selection procedure will be fully conducted in English.

¹⁰ As English is eu-LISA's working language, the selection procedure will be predominantly conducted in English, except when English is the mother tongue of a candidate or when the mother tongue of the candidate is not an official language of the European Union. In these cases, some of the interview and/or written test questions may be asked in the language indicated as their 2nd EU language.

Engagement and conditions of employment

The selected candidate will be engaged by the Authority Authorised to Conclude Contracts of employment from the established reserve list. Once the candidate receives an engagement offer, they may be required to accept the offer within a short timeframe and be available to start the contract at short notice.

The successful candidate will be engaged as Temporary Staff, pursuant to Article 2(f) of the Conditions of Employment of Other Servants of the European Communities (CEOS). The Temporary Staff post will be placed in Function Group AD, Grade 10, in the first or second step, depending on the length of professional experience.

The remuneration of a staff member consists of a basic salary (currently EUR 11 408.03 for step 1, and EUR 11 887.38 for step 2¹¹) weighed by the correction coefficient¹² (95% for Tallinn, Estonia) and paid in EUR¹³.

The initial duration of the contract is five (5) years, including a probationary period / managerial trial period of nine (9) months, with the possibility of contract renewal for another period not exceeding five (5) years. Following a successful renewal, the second renewal will be indefinite.

The reserve list shall be used for the recruitment and selection for the post in question and/or similar posts depending on the needs of the Agency. The candidates included in this reserve list may offered an employment contract of a shorter duration and/or in a different location (Strasbourg, Tallinn or Brussels) than the one stated in the vacancy notice in accordance with the business needs and subject to agreement with the candidate. In this case, the Agency will contact the candidate in the reserve list and ask for their interest.

All selected candidates may be required to have, or be in a position to obtain, a valid Personnel Security Clearance Certificate, SECRET UE/EU SECRET, depending on the specific job profile and the need-to-know requirements.

A Personnel Security Clearance Certificate (PSCC) is defined as a certificate issued by a competent authority establishing that an individual is security cleared and holds a valid national or EU PSCC, which shows the level of EU Classified Information (EUCI) to which that individual may be granted access, the date of validity of the relevant PSC and the date of expiry of the certificate itself.

Candidates who hold a valid security clearance and for whom it is required must provide a copy of their security clearance and specify the issuing authority, level and date of expiry. In case the validity of their security clearance expires within six months, the renewal procedure will be initiated expeditiously.

Kindly note that the necessary procedure for obtaining a PSCC can be initiated by request of the employer only, and not by the individual candidate.

¹¹ Working conditions of temporary staff in [CEOS](#)

¹² The correction coefficient is subject to a regular update.

¹³ For the purposes of determining professional experience, the Appointing Authority shall allow 24 months' additional seniority of step in grade for professional experience equal to or more than the 3 years of professional experience after the degree giving access to the grade.

Failure to obtain the required security clearance certificate from the candidate's National Security Authority, either during or after the expiration of the probationary period, will give eu-LISA the right to terminate any applicable employment contract where the security clearance is a requirement.

Independence and declaration of interest

The selected candidate for the post will be required to sign a declaration of commitment to act in eu-LISA's best interest and in relation to interests that might be considered prejudicial to their independence.

Protection of personal data

eu-LISA ensures that candidates' personal data is processed in accordance with Regulation (EU) No 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data¹⁴.

The legal basis for the selection procedure of Temporary Staff (TA 2(f)) are defined in the Conditions of Employment of Other Servants of the European Communities¹⁵.

The purpose of processing personal data is to enable selection procedures.

The selection procedure is conducted under the responsibility of eu-LISA's Human Resources Unit ('HRU'). The controller, in practice, for personal data protection purposes is the Head of the Human Resources Unit.

The information provided by the candidates will be accessible for a limited number of authorised HRU personnel, to the Selection Committee, and, if necessary, to the Executive Director, Security and/or the Legal personnel of eu-LISA.

Almost all fields in the Application Form are mandatory; the answers provided by the candidates in the fields marked as optional will not be taken into account to assess their merits.

Processing begins on the date of receipt of the application. eu-LISA's data storage policy is as follows:

- for applications received but not selected: the paper dossiers are filed and stored in archives for two (2) years after which time they are destroyed;
- for candidates included in a reserve list but not recruited: data is kept for the period of validity of the reserve list + one (1) year after which time it is destroyed;
- for recruited candidates: data is kept for a period of ten (10) years as of the termination of employment or as of the last pension payment after which time it is destroyed.

¹⁴ Regulation (EU) No 2018/1725 of the European Parliament and of the Council of 23 October 2018, OJ L 295, 21.11.2018, p. 39.

All candidates may exercise their right of access to and rectification or erasure of their personal data or restriction of processing.

In the case of identification data, candidates can rectify the data at any time during the procedure. In the case of data related to the admissibility criteria, the right of rectification cannot be exercised after the closing date of applications.

Any substantiated query concerning the processing of the candidate's personal data should be addressed to the eu-LISA's HRU (eulisa-RECRUITMENT@eulisa.europa.eu).

Candidates may have recourse at any time to eu-LISA's Data Protection Officer (dpo@eulisa.europa.eu) and/or the European Data Protection Supervisor (edps@edps.europa.eu).
